## BIKE ADVENTURES

### Capital Adventure

**Distance:** 7km

**Duration:** 2 Hours

**Difficulty level:** Relaxing

Cycle through Valletta, the Capital City of Malta and a UNESCO World Heritage site, in style and at your own pace. Get your camera ready as there is will be plenty of photo opportunities as we cycle down quaint and narrow streets and past magnificent churches. With gardens overlooking one of the most beautiful natural harbours in Europe - the Grand Harbour and the Victory Bell, Valletta is truly a not-to-be-missed attraction whilst in Malta. You could even stop at the Waterfront and enjoy a cocktail, while watching cruise liners and luxury yachts sail by.

### Sea Side Adventure

**Distance:** 15km

**Duration:** 2 Hours

**Difficulty level:** Easy

This fun adventure will take you along the southern coasts of Malta. Starting off at Marsaskala, we will pedal our way past some of the clearest sea in the area. This will then be followed by a short cycle through fields and countryside until we arrive in the fishing village of Marsaxlokk where you can treat yourself to some wonderfully cooked fish or to some ice-cream, with flavours ranging from vanilla, chocolate and strawberry to the more exotic, like Baileys or Vodka.

## BIKE ADVENTURES

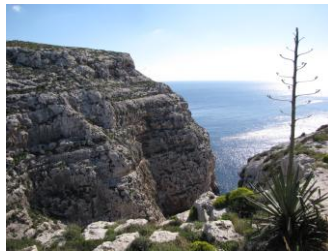

### Rough Edge Adventure

**Distance:** 21km

**Duration:** 4 Hours

**Difficulty level:** Easy

Experience the harmony of nature and man as you enjoy and breathe in some of the best natural scenery in Malta. Starting off at Zurrieq, located in the South East of Malta, you will cycle past impressive rock formations and valleys. You can gaze at some of the first free standing temples, a UNESCO World Heritage site, dating back thousands of years, even before the pyramids were built. Experience a more tranquil reality as we pass through the towns of Mqabba and Qrendi, where time seems to pass that little bit slower. Why not end this adventure with a home-cooked meal which the Maltese are famous for?

### Cliff Hanger Adventure

**Distance:** 20km

**Duration:** 4 Hours

**Difficulty level:** Intermediate

Welcome to the highest point in Malta – which you will reach during this adventure. Starting from just below the fortified town of Mdina, you will cycle up to the town of Dingli, famous for its breathtaking views from the cliffs. Cycling will feel natural when you have the Mediterranean on one side and endless fields on the other. This adventure includes an optional stop at a farm where you can learn more about Maltese farming and produce – and indeed you will be encouraged to pick and taste the fruit and vegetables fresh from the ground! This adventure will then finish at Mdina, giving you unobstructed views of the East and South of Malta.

## BIKE ADVENTURES

### All Round Adventure

**Distance:** 40km

**Duration:** 8 Hours

**Difficulty level:** Challenging

If you consider yourself a very good cyclist, this adventure will be a treat! Starting off from the Palace of Selmun you will cycle through Ghajn Tuffieha Bay and discover some of Malta's prettiest sandy beaches. This adventure will take you through some of the most fertile and lush areas in Malta, as well as many forts and traditional structures. A camera is a must as you will enter the fortified town of Mdina, from where you will have unobstructed views of a great part of the island. This adventure includes an hour's break, for you to re-energize or, optionally, taste some of Malta's best dishes, including rabbit, horsemeat or vegetable minestrone.

### Three Hills Adventure

**Distance:** 30km

**Duration:** 8 Hours

**Difficulty:** Challenging

This adventure is not for the faint-hearted. Starting off at Cirkewwa (Malta), in the north-west, all is calm as we cross the channel to Gozo on board the ferry, from which you will also see the third island of the Maltese archipelago, Comino. Once there the journey continues from Mgarr with multiple stops in well-known sandy beaches, fortified towns and legendary spots. With time to enjoy an optional lunch at Xlendi Bay, this adventure will show you the best Gozo has to offer; sun, sea, rolling landscapes and plenty of photo opportunities.
